

A Lecture was arranged on “Importance of Quality Assurance in Industry” By Engr. Salman Hassan who is an NED Alumni currently working as Team Lead Quality Assurance at Fluke Process Instruments.

The poster is a vertical layout with a purple and white color scheme. At the top left is the NMS logo. The main title is "IMPORTANCE OF QUALITY ASSURANCE IN INDUSTRY". Below it are icons for location (Computer Lab, MMD), date (18th April 2024), and time (11:30 - onwards). A central box contains the text "DREAM Big", "Set GOALS", and "Take ACTION". The right side features a circular portrait of Salman Hassan, his name, and his current role: Team Lead Quality Assurance at Fluke Process Instruments. Below this is a "Profile" section listing his education: Bachelors (NEDUET 2009-2012) and Masters (Stuttgart University (Germany) 2014-2017). The design includes decorative elements like stars, circles, and a wavy line.
